EE-I DAILY PROGRESS REPORT, SATURDAY, 13 OCTOBER 1951

BQFIEND

1. We have been advised that 17 trained agents and three W/T operators were moved from Germany to Athens on the night of 10 October 1951. These men are the bulk of five teams to be infiltrated on the nights of 13 and 15 October. Two teams are to be dropped the night of the 13th, and three teams are to be dropped the night of the 15th. There is a possibility that all five teams will be dropped the same night, 13 October 1951.

2. An extra W/T operator is on hand to be dropped with a supply mission to Pine Team, operating near Kukes, Albania. This mission is tentatively set for 15 October with the three teams mentioned above.

3. The return of the plane on 11 October carried 23 Albanians for the Guard Company.
